Our New Bus Is Here!

Greetings everyone!

Our Wednesday luncheons are going great! Each week we have new people join us and we are so happy to welcome you. At this point, we are going to move into 2 rooms when we are serving lunch at the Senior Center; we have reached our capacity in the cafe. The first 35 people who **sign up** will start in the café, and the rest of the group will get to enjoy the other room. Our food has been wonderful, catered by Peter's Market, delivered fresh and hot. We plan to venture out to other restaurants including The Lunchbox and Calises Deli, and more; we hope you will enjoy the delicious menus. Each lunch is \$4.00 and often we show a movie or have a lecture or presentation following the meal. Come early and try Yoga or Feldenkrais before lunch, or stay after and walk in the gym. Once a month we have a "party" at Norfield, where we spread out a bit and enjoy musical entertainment after lunch. We continue to be grateful to Norfield Church for allowing us to use their beautiful parish hall, as well as host a lunch party. We are also grateful to Emmanuel Church, St. Francis Church, The Weston Women's League and Weston Newcomers and Neighbors for hosting other luncheons for us at Norfield. We hope this new system of luncheons is working well for everyone, including the volunteers themselves as well as our seniors who participate. We also want to thank volunteer Angela Connaughton for serving every Wednesday and the Weston Students for setting up each week. We are so proud of our Wednesday community luncheons, we hope you will sign up and join us!

Do you want to "Go Green"? We would be happy to add you to our email list and remove you from our paper mailing. Send us a note: wpetty@westonct.gov.

Please take a look at our new website: www.westonseniorcenter.info. See you soon!

MEDICARE INFORMATION

Medicare Open Enrollment October 15 –December 7

REVIEW YOUR MEDICARE COVERAGE!

The annual open enrollment period for Medicare Part D and Advantage Plans for 2017 coverage is **October 15, 2016 through December 7, 2016**. It is a good idea to review your coverage yearly at this time with a CHOICES counselor to be sure that you are getting the coverage you want at the best reasonable cost. Changes in coverage and without penalty can be made in Open Enrollment.

For those on Original Medicare, there are 21 plans being offered for 2017 Medicare Part D. There are new insurance plans to Connecticut, changed formularies and premium changes. One program has a premium of \$14.60 per month. Is it right for you? Make an appointment through the Weston Senior Center or you may call SWCAA (Southwest Connecticut Agency on Aging) directly to speak with a CHOICES counselor. Your prescription medications including precise name (properly spelled), dosage and frequency of use will be reviewed on the Medicare.gov website and the Medicare D insurance plans will be presented to you in order of price effectiveness. Some seniors change Medicare D suppliers yearly to meet their current medication requirements and to get the best prices offered.

During Open Enrollment there will be availability for half hour appointments from 10:30 – 12:30 every Monday in November 7, 14, 21, and 28 – as well as Monday, December 5. **YOU MUST MAKE AN APPOINTMENT THROUGH THE WESTON SENIOR CENTER** at (203) 222 - 2608. **NO WALK-INS**. If times or dates are not convenient for you simply contact a CHOICES counselor at 1(800) 994 - 9422.

CHOICES presents objective information for you to consider when making decisions about Medicare issues. **Advantage plan advertising has been very active. If you are considering a change of Medicare provider especially to an Advantage program be sure your doctors, labs for blood work and the hospital of your choice accept that exact particular insurance plan.** Do not trust lists that have been made to meet a printing deadline of four or five months ago. Lists can change at any time. Telephone the doctors, labs & hospitals to be sure they accept the exact particular insurance that you are considering before you enroll. Remember any Medicare resource can drop out of any plan any time during the year.

Please book appointments as soon as possible and early in the open enrollment period – couples book two appointments. There may not be time available when booking later. Never a charge for Medicare Choices consultations. See you at the Center!

Friday, December 9th 10am—11am

The Strategic Significance of the Attack on Pearl Harbor:

The Day of Infamy is seen as that official entrance of America into World War II. The United States Navy had already been at war for months, escorting convoys halfway across the North Atlantic. Pearl Harbor merely codified America's participation in the conflict. But of greater significance is that Pearl Harbor, together with the Soviet victory at Moscow, render December 1941 as the turning point of the war.

SCAM Helpful Hints

Copy all credit and id cards front and back for your records. If you lose your wallet you will be able to contact the appropriate companies for replacements and stop payments.

Never let a stranger into your home- day or night. This includes workmen trying to sell a quick repair job left over materials from a nearby project – driveway, roofing, etc; anyone stranded with a broken down car; or people waiting for a neighbor to return. These are usually ruses to get into your home, distract you and then steal cash, jewelry, etc.

Keep your plans to yourself! Do not post future plans about being away from home on any social media site. This is an invitation to burglars to invade your home and help themselves.

Annual Re-Gifting Sale

Opens Monday, November 28th
at 9am.

Weston Senior Center

Do you have gifts around your house that you received that just are not your style? Did you forget to return something and now you are stuck with it? Do you have unused items that you have no use for anymore?

We will take them for our annual Re-Gifting Sale!

We call it the re-gifting sale to encourage the fun of this fundraiser. All of the money we make directly supports our Senior Center. We use it to buy extra supplies for crafts, coffee pods, parties, and general Senior Center goodies throughout the year.

This is a GREAT way to shop for your friends and family without spending a fortune or having to go to a crowded mall. We will even wrap it for you. We ask that you only donate new or unused items since it's a gift sale not a tag sale.
